# Sakhawat Hossen

Frontend web developer

Feni, Chittagong, Bangladesh.
(+880) 1869 997 997
shbhuiyan997@gmail.com

LinkedIn || **Github** || **Facebook**

I'm a motivated and passionate fresher in **Frontend Development** eager to apply my knowledge of **React**, **JavaScript**, and modern web technologies. I'm seeking a role where I can learn, grow, and contribute to creating engaging, user-friendly, and responsive web applications.

SKILLS —:

Web Technologies: HTML5, CSS3, JavaScript (ES6+), and node.Js.
Frameworks & Libraries: React.js, Tailwind CSS, and Express.Js.
Version Control: Git, and Github.
Tools & Platforms: VS Code, Figma, Firebase, npm.
Soft Skills: Problem-solving, Collaboration, Quick Learner, Team Work, Responsibility.

EDUCATION —:

B.A Honours in **English language and literature**
Institute: **International Islamic University Chittagong.**
Duration: **2024 - 2027**

LANGUAGES —:

Bangla, English, Hindi.

HOBBIES —:

When I'm not coding, you'll likely find me indulging in my favorite hobbies. **I love playing football,** which keeps me active and sharpens my teamwork skills. I enjoy **watching movies,** a great way to relax and explore different stories and perspectives. **Riding and traveling** fuel my adventurous spirit, allowing me to experience new places, meet diverse people, and gain fresh inspiration for my projects.
